We recognise that our diversity is a key strength and are dedicated to promoting equality and preventing discrimination within our workplace. This policy applies to all employees, including office staff and workshop staff, both within the ESM premises and on-site (off premises), and outlines our commitment to fair treatment regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation, or other personal characteristics.

We are committed to ensuring no one suffers any detrimental treatment as a result of reporting in good faith their suspicion that discrimination of any form is, or may be, taking place in any part of our business. Detrimental treatment includes dismissal, disciplinary action, threats, or other unfavourable treatment connected with raising a concern.
- 8.3. The Company will accept and take seriously concerns communicated anonymously. However, anonymity can render investigations and validation more difficult and make the process less effective. Individuals are encouraged to put their names to allegations. Any claims or allegations made that are found to be malicious or vexatious will result in disciplinary action against the individual.

Communication and Awareness of this Policy

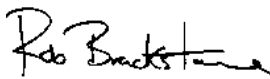

Our commitment to equality and diversity will be communicated to all employees, suppliers, contractors, business partners and clients at the outset of our business relationship with them and reinforced as appropriate thereafter.

Conclusion

ESM is dedicated to maintaining a workplace that is inclusive, fair, and respectful. By promoting diversity and equality, we aim to create a positive environment where all employees can thrive and contribute to our success.
